

HAGLEY CATHOLIC HIGH SCHOOL

A
SCHOOL
THAT
CARES

Principal's Message

I feel blessed, proud and privileged to be Principal of Hagley Catholic High School because it is so much more than just a school. We are a caring, dynamic, inspiring and high achieving community where Gospel values are at the heart of everything we do. We are totally inclusive. This means that every child genuinely matters here at Hagley.

Continuous improvement and being at the forefront of educational advancements are very important to us; we want to be trail blazers rather than running behind trying to catch up! Our talented teaching staff is committed to supporting our young people to achieve their personal best through inspiring teaching and learning, a vibrant and varied curriculum and exciting extra-curricular activities. We strive to create independent learners who are resilient, resourceful, responsible, reflective and respectful.

We are ambitious for every pupil and encourage challenge. Our young people therefore leave us as well-rounded individuals who have fulfilled their potential spiritually, personally, academically and professionally.

Principal
