

# Remote Access: On MAC OS

Download the RD Client from the app store (<https://itunes.apple.com/gb/app/microsoft-remote-desktop/id714464092?mt=8>) and then open the app.

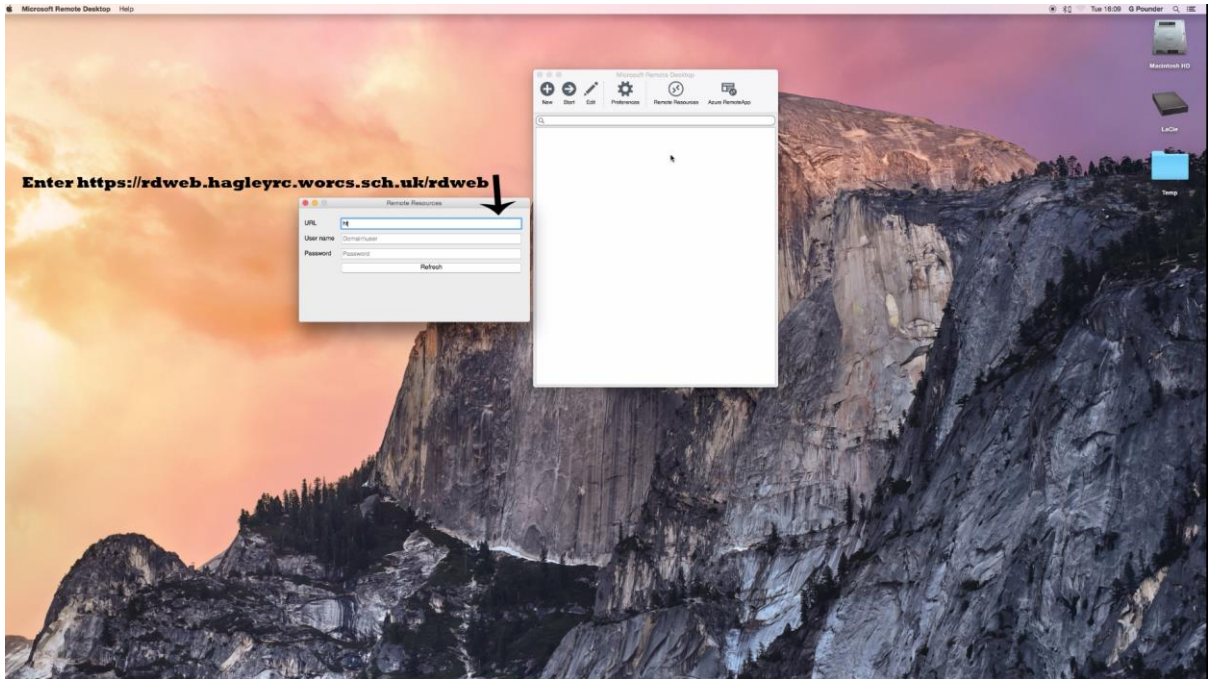

At the top of the program you will need to press on the link saying "Remote Resources"

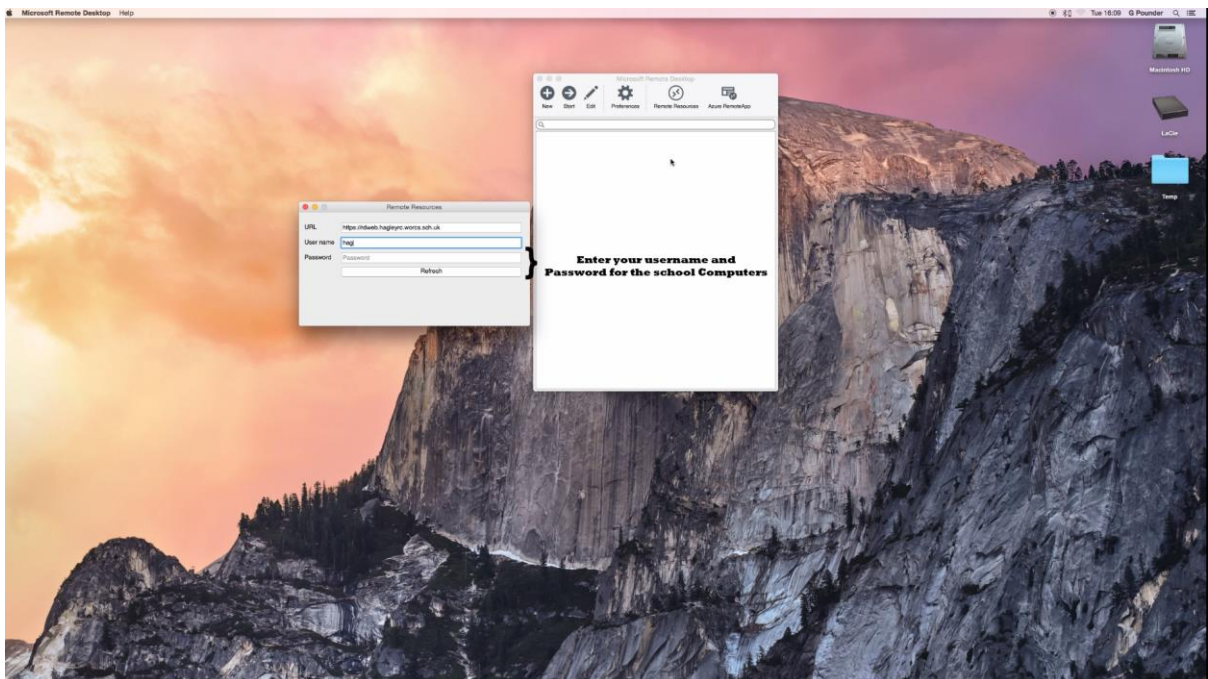

# Remote Access: On MAC OS

Then in the top field marked URL you will need to enter <https://rdweb.hagleyrc.worcs.sch.uk>

Then in the two fields beneath that enter the username and password that you use for the school computers. Ensuring that your username is in the format hagley\username

Then all you need to do is simply hit refresh and a list of programs will be generated. You can use any of these programs as if you are at the school.
