

Download the RD Client from the app store (<https://itunes.apple.com/gb/app/microsoft-remote-desktop/id714464092?mt=8>) and then open the app.

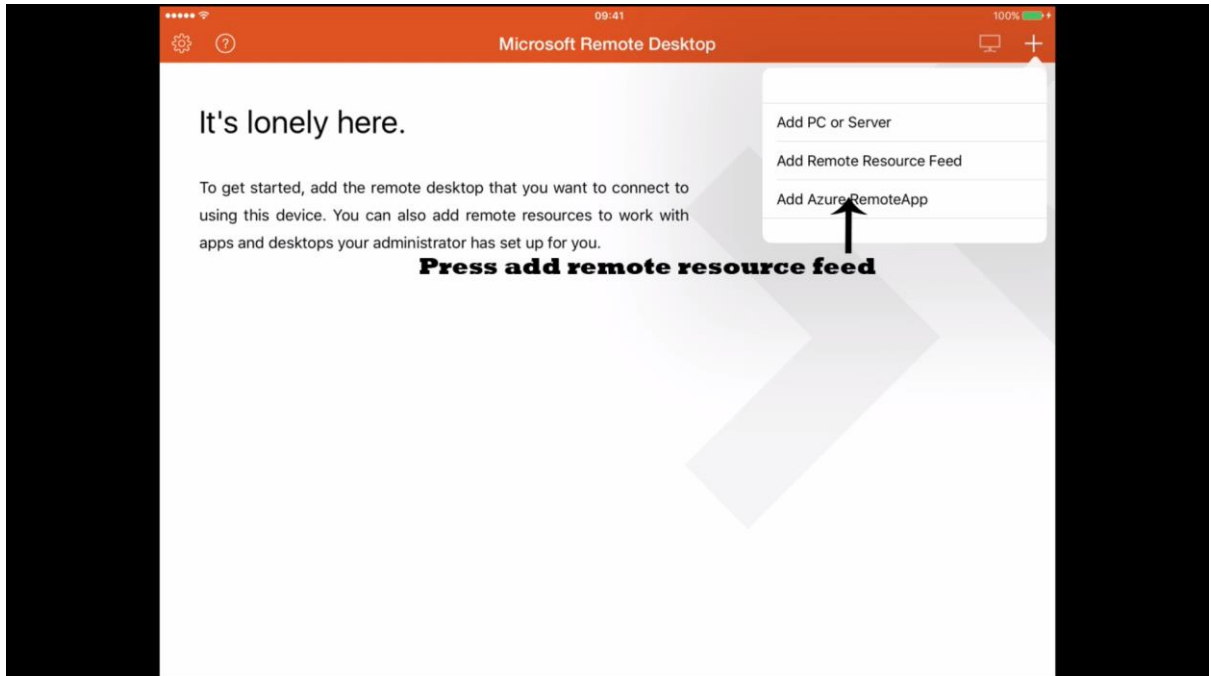

In the top right hand corner select, the plus symbol as below.

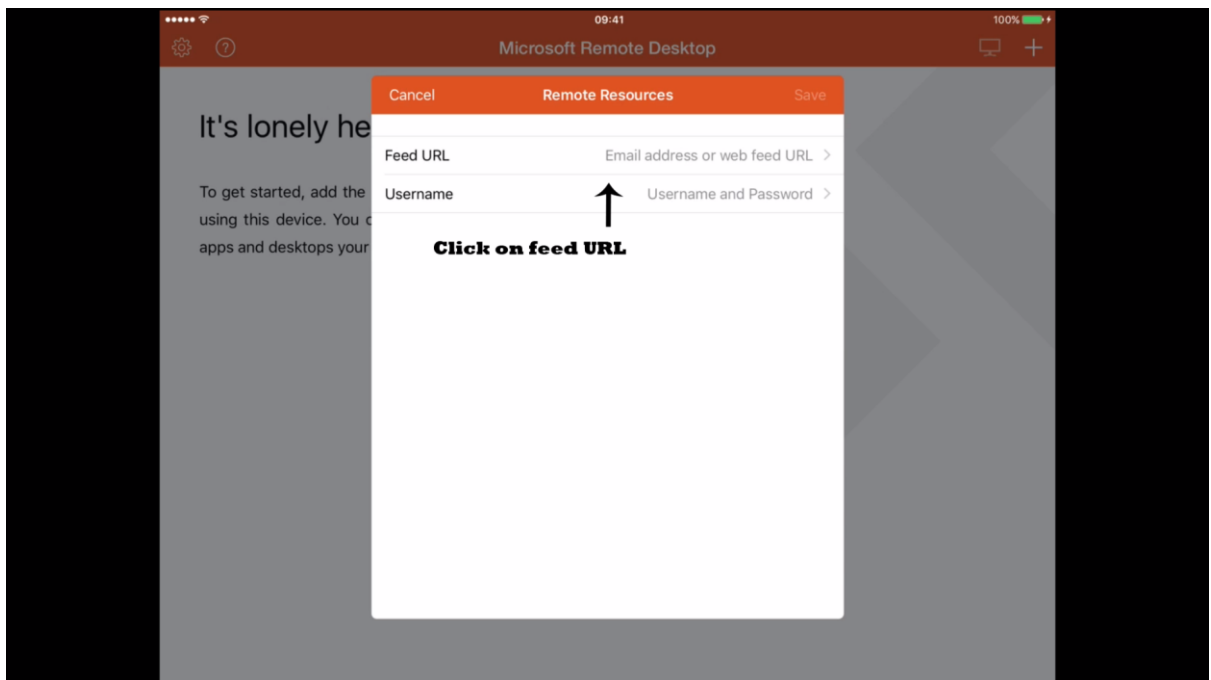

Remote Access: On iOS

Then you need to press the Add Remote Resource Feed

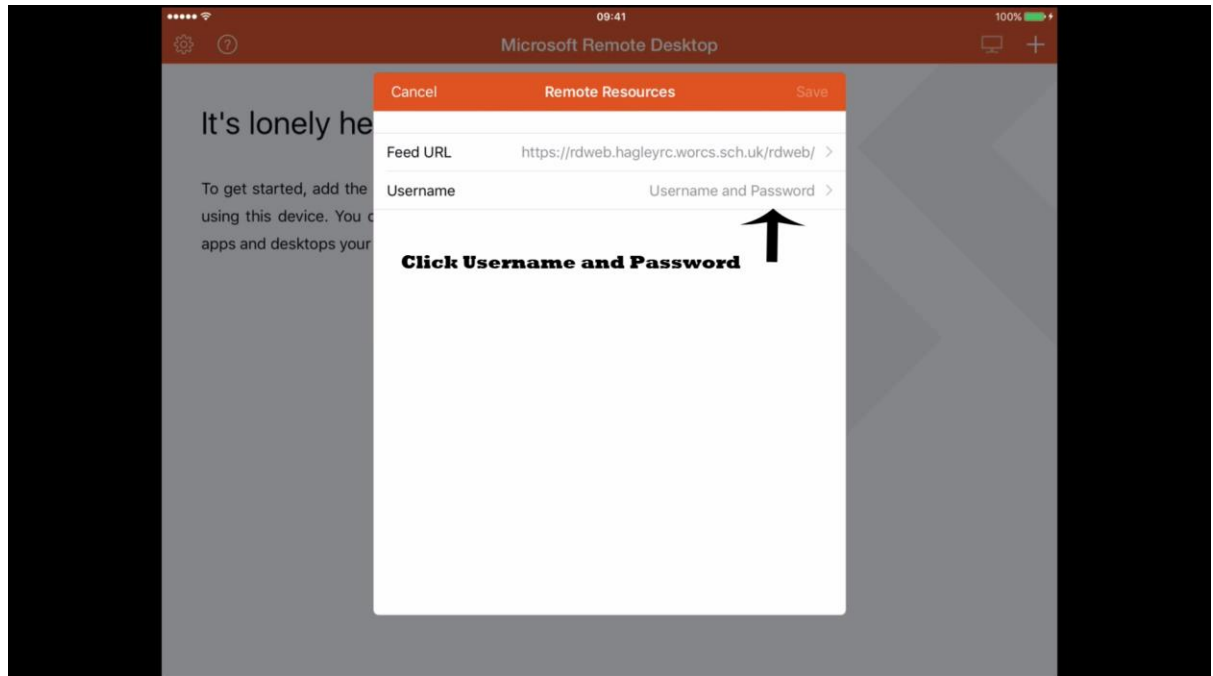

Choose the option to enter URL and then enter <https://rdweb.hagleyrc.worcs.sch.uk> once entered press done.

Remote Access: On iOS

Click username and password and enter your username and password you use for the school computers, ensuring your username has hagley\ before it e.g. hagley\staff.

Once this has all been done simply hit save and use any of the programs available as if you are on the school premises.
