HAGLEY CATHOLIC HIGH SCHOOL

A lovely idea shared on social media

When this is over bucket list…

Every time we wish we could do something, go somewhere, treat ourselves, see someone we love, meet friends, visit a new place, invite people to see us, go out for tea, play / watch a team sport, go to the cinema, bowling, out for tea, go for a sleepover… write it down on a post-it / piece of paper and put it in a jar. When this is all over this will be our bucket list and we can try and work through the jar and be more grateful than ever for the little and lovely things in our lives. Until then watch the jar fill up with magical things to look forward to…
