

GCSE RESULTS - PRESS RELEASE – AUGUST 2021

Emmaus Catholic Multi Academy Company and Hagley Catholic High School are incredibly proud of our Year 11 students for achieving such impressive GCSE results.

Mr Hodgson, Principal of Hagley Catholic High School, commented, “At the end of what has been a hugely disrupted and difficult two years for our Year 11 students, I want to congratulate them on their outstanding achievements in the final GCSE examinations. Our students not only completed rigorous assessments of their subject knowledge under exam conditions in order to fulfil the requirements of the exam boards, but they did so after an extended period of uncertainty and flux, often with little formal guidance on what they would be facing in the summer. That they have ended up with such excellent results speaks volumes about their focus, resilience and determination.”

Mrs Horan, Catholic Senior Executive Leader (CEO), added, “Today is a day to celebrate - these wonderful results reflect the hard work of the students, their parents and the teachers who have supported them. We wish all our Year 11 students every success as they progress to the next stage of their education. Their achievements are fully deserved, and we offer them our warmest congratulations”.

We look forward to welcoming both our current Hagley and external students to our fabulous Sixth Form in September. It is a very exciting time to be joining us, as our brand new designated state of the art Sixth Form Centre will be opening in September. The designated Sixth Form Common Room, study space and classrooms will support the already fantastic teaching and student outcomes.
