HIGH SCHOOL**  
SEMPER FIDELIS

## **A Level Exam Success 2023**

Emmaus Catholic MAC and Hagley Catholic High School students and staff are celebrating a wonderful set of results for this year's A levels and Level 3 vocational courses, continuing our long tradition of examination success.

Mr Hodgson, Principal commented "Considering the disruption to education experienced by these pupils in the last three years, especially not having sat exams at GCSE in 2021, this is a tremendous achievement and a well-deserved reward for their commitment and resilience. We are absolutely delighted that all students have secured a future pathway into Higher Education or an apprenticeship and can celebrate two successful Oxford entries and numerous Russell Group University entrants too."

In a year where grades boundaries have tightened significantly and no leeway given from the pandemic, Hagley can report that 27% of all entries achieved A\*-A, while 55% of all entries were grades at A\*-B, 81% at A\*-C and 99% of students achieved A\*-E grades. All outcomes that are an improvement on the pre-pandemic results of 2019."

Vice Principal and Director of Sixth Form, Mrs Morris added, "We are exceptionally proud of the achievements of every single one of our students, all of whom are moving on to their chosen pathway. It has been a privilege to support and guide them during this time and we know that they will continue to fulfil their potential as they move to the next phase in their lives."

Mrs Horan, Catholic Senior Executive Leader (CEO) of Emmaus Catholic MAC, said, "These results reflect how a true learning community can come together against adversity in order to provide the very best opportunities for our young adults. Not only is it down to the incredibly hard work and commitment demonstrated by each and every student, but also the dedication and quality of our teaching and support staff, alongside the superb levels of encouragement and focus fostered by parents and families."

Congratulations to all and very best wishes for the future.
