HAGLEY CATHOLIC HIGH SCHOOL
Academic Reporting Schedule 2020/2021

- There are three reporting windows for each year group across the academic year, one in each term.
- In all reports, teachers will give a predicted grade (PPG).
- At Key Stage 3, the PPG given is a forecast of what a student is expected to achieve at the end of the academic year based on the attainment and progress they have made since the previous reporting window. At Key Stage 4 and 5, the PPG is a forecast of what a student is expected to achieve at the end of the Key Stage (i.e. in the GCSE or A Level examinations), again based on the attainment and progress they have made since the previous reporting window.
- At Key Stage 3 and 4, sub grades (a, b and c) are included in the PPG. An 'a' suggests that a student is very close to achieving the grade above, a 'b' suggests that a student is secure in that grade, while a 'c' indicates that a student is only just achieving that grade and is not yet secure.
- At Key Stage 5, + or – are used as sub grades, with a "+" being close to the grade above and "-" suggesting the student is not yet secure at that grade.
- Comments are only added by teachers to the summer term reports. These reports also include a comment from a students' form tutor.
- A recent assessment grade (based on the most recent internally assessed piece(s) of work or test(s)) and effort judgement (1 = outstanding, 2 = good, 3 = satisfactory, 4 = inadequate) are also included in each report.

The table below gives the dates when reports will be issued in each term. The dates given in the summer term column are when reports are issued that include comments from subject teachers.
