INTRODUCTION:

I am an adaptable individual who is able to interact easily with people at all levels. I currently work at Costa Coffee at the Queen Elizabeth Hospital. My time there has allowed me to interact with Staff and the Public.

I enjoy working within a busy environment and thrive on the opportunity to learn new skills; I was fortunate to gain a placement at the National Citizen Service (NCS) this allowed me to work with younger people to lead and run Events.

I am now seeking an opportunity to extend my learning skills within the Hospitality and Event Industry.

-Summer 2019- Paid Support Worker

KEY SKILLS:

- Excellent communication skills, both written and verbal
