Dear Parent(s)/Carer(s)

### **Revision Guides**

To support your son/daughter during their studying of Key Stage 3 Science we recommend you purchase the CGP Revision guide titled '**Key Stage 3 Science Higher or Foundation Level**'. This will provide a valuable extra resource at home to aid with homework and revision. It covers all of the science content they need for Year 7, Year 8 and the early part of the Year 9 course. Revision cards are also available.

The school are able to pass on our school discount to you and we can offer this for:

**Key Stage 3 Science Higher or Foundation Level £4.00**

**Key stage 3 Revision cards £6.00**

If you would like to purchase these resources, please complete the slip on the next page and pay using the ParentPay link on the school website. You will only be able to select the higher or foundation option. However, should you wish to change the level of the guide, it can be exchanged in the science department. If you are unsure as to the level, please get your son/daughter to check with their science teacher.

If you have any questions regarding these resources or any other matter relating to the KS3 course, please do not hesitate to contact me.

Yours sincerely

*M Patchett*
