# HAGLEY CATHOLIC HIGH SCHOOL

Hi again Year 6,

This week we would be having our Intake Evening and Intake Day. In place of these events we have a Virtual Induction programme that has been especially written for you.

We are very excited to launch this and the final editing to our Virtual Intake Evening has been completed and we will be going live with this on Wednesday 1<sup>st</sup> July at 6pm. Here you will get the chance to listen to & watch some presentations from our Principal and Mr Miastowski as well as introductions to key staff, including the our Year 7 tutor team. Some of our current Year 7 pupils also came into school especially last week to film a fantastic tour that will also show you what some of our lessons may look like. We hope you enjoy it as much as we have done putting it together.

We will continue with the weekly summer transition sessions and hope that they have helped you to get to know more about life at Hagley. Also keep a look out on our website for the section for Year 6 transition, as lots more information, activities and projects are to come... including some challenges for you to do over the summer. Keep those sunflower pictures coming in also.

## How much homework will I have?

- Look at this current Yr7 timetable. In theory you could be set homework from EVERY lesson. When a homework is set you will also be told when it is due, this is usually the next lesson for that subject or sometimes you may be given a bigger piece so may have longer e.g 1 week

### • For example:

1. Mr Neenan sets a French homework due his next lesson, this would be due...
  - Week A Monday P.1 due Week A P.2
2. Mrs Chapman sets a Maths homework Week A Monday P.2 and gives you a full week, this would be due...
  - Week B Monday P.1

## How do I manage my homework?

- Therefore it is important to manage your homework. All students have their own Student Organiser to help 'organise' themselves, especially their homework. Here is a page from a Student's Organiser showing good practice how to do this:

## How do I manage my homework?

At Hagley we use a fantastic piece of cloud based software to help further manage your homework called ClassCharts which you and your parents / carers can download as an app to your phone / iPads...
