Archdiocese of Birmingham

29 June 2020

Dear Parents/Carers

I hope you and your families are safe and well. Over the last few weeks the transition team have been busy working behind the scenes to support your son/daughter's transition up to Hagley Catholic High School ready for September. The [Yr6 transition page](#) has also been updated with transport information and transition resources which students can use throughout the summer term to support their move into secondary education. These include information about preparing to start at Hagley as well as projects set by some of our departments. I would encourage your son/daughter to access these and they will be rewarded with house points for any subject projects completed, though they are optional.

I am pleased to confirm that the virtual induction presentation will be shown on Wednesday 1 July at 6pm, which would have been the intake day for our new Year 7 students. It can be accessed via this [link](#). However, the video will also be available afterwards to view as and when you wish. If, after the presentation you still have questions, please do not hesitate to get in touch via email, using admissions@hagleyrc.worcs.sch.uk.

As a school we use social media to celebrate students' achievements and successes and it would be wonderful to share pictures of Year 7 throughout their journey at Hagley through these channels. If you are happy for images of your son/daughter to be posted onto the school's social media pages please can I ask you to complete this [electronic GDPR consent form](#). This form needs to be completed in addition to the Pupil Personal Data form sent out with the transition pack as the GDPR form covers use of images externally.

I can confirm that as things currently stand the first day for Year 7 will be Thursday 3 September 2020 for a 9am start. Other than Year 12 there will be no other students on site, and this will ensure that students can have an appropriate induction. If anything were to change to these plans due to the COVID 19 pandemic, then we will give you as much notice as we can.

We will write again shortly to announce your child's form group for September. Please continue to check your emails regularly as arrangements for September will be made through this medium.

We hope you enjoy the presentation and we look forward to welcoming you into the Hagley family and working in partnership with you over the years ahead.

Yours sincerely

Mr R Miastowski
Assistant Principal
