- We hope that you have enjoyed the 1st of our transition activities. We have more to come where we will be looking at:

- Timetables
- Map of the school
- Finding your way around
- Who is there to help you
- A taste of a typical school day and what is on offer
 - Our expectations & ethos
 - How you can organise yourself
- Classcharts – rewards and sanctions

•

Is there anything else you would like to know?

Perhaps you could jot it down... let us know

Mrs Imrie & Mr Miastowski

"Called as God's family; we strive to achieve our personal best by living and learning in Christ"

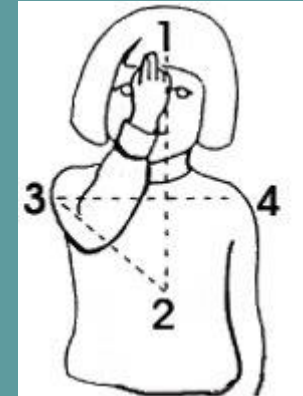

Teacher:

As followers of Jesus Christ, we are united to his passion, death and resurrection, which give us hope of eternal life.

As we cross ourselves, let us say together:

Everyone:

In the name of the Father, and of the Son, and of the Holy Spirit. Amen.

Semper Fidelis - "Always faithful"

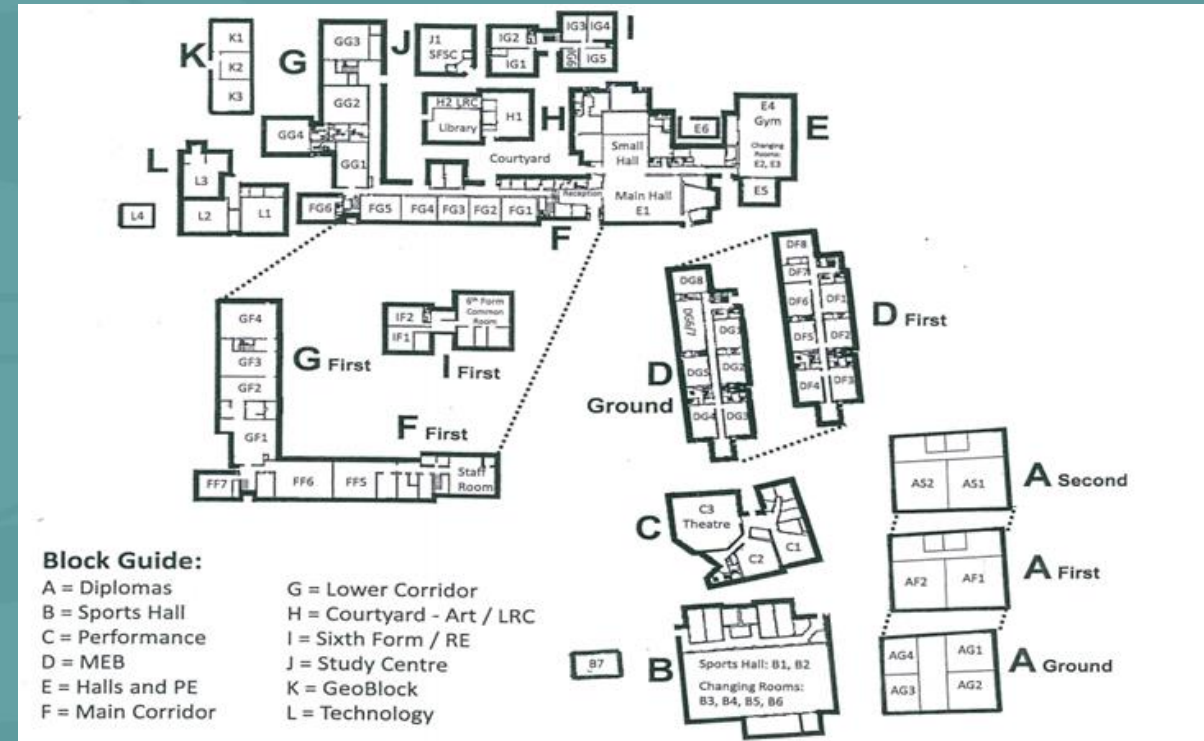

Our School Prayer

Saint Nicholas Owen,
make this school a safe refuge;
inspire in us a love God and a love of our neighbour.
guide us in our work and play,
that we may always be faithful to Christ, our Lord.
Amen

How do I NOT get lost?: Finding your way around Hagley

When we visited you in your primary schools most of you said that you were nervous about the size of the school and getting lost. Hagley is not that big and you soon find your way around, especially with the magic room code!

We hope that the next few slides and activity help you find your way around a little!

Map of the School

Every Year 7 will have a Student Planner and in there is a map of the school. Look at the images of key places in the school on the next few slides and then have a go at finding your way around with a couple of activities...

How does a timetable work?

At Hagley we have a 2 week timetable, Week A & Week B. This is because we have so much we want to teach you so we need to structure it over 2 weeks.

Key things to remember:

1. You will be registered each morning in your tutor group (shown as AM in the 1st row)
2. You will then have 4 lessons a day
3. Each of these lessons are taught by subject teachers so you will have 4 different lessons with 4 different teachers
4. The thick black line shows when you have a break or lunchtime.
