Dear Parents/Carers

I hope that you and your families are safe and well in this current climate. We understand how anxious students might be feeling about moving up to secondary school and, therefore, we have created another video of some of our current Year 7 students giving a virtual tour of the school. The video is available on the school website under the 'Our Community-Year 6 Transition Page' (<https://www.hagleyrc.worcs.sch.uk/Page/Detail/year-6-transition>). Please do watch this with your son/daughter.

Also, on the transition page are spare documents sent in the transition pack and some of our key policies and information. Please can I remind you to send all completed paperwork to the school by Friday 5 June marked for the attention of 'Admissions'. If you have any issues, please do not hesitate to email admissions@hagleyrc.worcs.sch.uk. School is closed over half-term but all queries will be responded to in the first week back.

Thandi coaches, our bus provider, are currently setting prices for transport for the next academic year. Please do contact them on 0121 420 2929 if you have any queries relating to bus transport. Our school transport officer, Mrs Tyrrell, can also be contacted via email styrrell@hagleyrc.worcs.sch.uk to answer generic transport queries.

We will write again after half-term outlining the plans for induction and the house group that your child is being placed into. At the time of writing, it is very unlikely that the intake evening scheduled for 29 June will go ahead. Instead the Principal and myself will share a presentation outlining key information. Alternative plans are also being put in place should the induction day scheduled for 1 July be unable to go ahead.

We continue to work with our primary schools to ensure that the transition up to Hagley is as smooth as possible in these unprecedented times.

I wish you and your family a happy and restful half-term break.

Yours sincerely

Mr R Miastowski
