

## Hagley Catholic Computing Department

Mr Halford

Mr Smith

Mrs Jones

Mrs Radford

Mr Bayliffe

Hello to all the year 6's from the Computing Department. We are very much looking forward to meeting you all when you start here at Hagley.

\*\*\*\*\*

In our first term we will get you logged onto our network, virtual learning environment (Haggle) and your email accounts. We then move onto several different activities.

Part of this work is creating a presentation all about prayer/your patron saint/how we pray/different methods of prayer/different faiths.

With this in mind there are a few activities you can complete before you come.

We have attached the following worksheets for you to complete:

What is Prayer

Prayer Research Sheet

Confirmation Saint Fact Sheet

## What is Prayer?

### What are your thoughts on the way we pray?

What do you understand by the words 'prayer' and 'liturgy'?

How do you currently do pray at your primary school?  
Break it down into form prayers, lesson prayers, mass etc.

What are your thoughts on how you pray and worship at your primary school? List some good things about it and list any suggestions you would have to pray here at Hagley.

How do you pray outside of school? Perhaps at home, at mass, at church or any other environment? Which techniques do you use?

What do you think are the best parts about praying?  
How does it deepen your relationship with God?

# Prayer Research Sheet

Carry out some research on different methods of praying.  
How do other Christians and faiths pray?

**Create an exciting fact sheet based on your confirmation Saint - or if you are struggling then focus on Hagley's Patron Saint, St Nicholas Owen.**

Things to try and include if you can find them:

- Image representation of your Saint
- Background details where possible.
  - Full name
  - When they lived
  - Where they lived and worked
- What miracles did they perform?
  - What's their story?
  - How do we celebrate them today?
  - Do they have a feast day?
  - Are they the patron saint of somewhere/something?
  - Where in the world are they celebrated the most?
  - Do they have a church - building - object associated with them?
