Principal: Mr J Hodgson

Archdiocese of Birmingham

15 June 2020

Dear Parents/carers

Further to my previous correspondence on 22 May 2020, I am writing to confirm that the Intake Evening planned on 29 June and the Induction Day on 1 July will not be going ahead due to the current restrictions in schools.

However, I am delighted to launch our Virtual Induction Programme for Year 6 students and parents/carers today. There will be regular updates, information, resources and activities for students to complete throughout the rest of this term and the summer.

Virtual Induction Programme

- All primary schools have been contacted and we continue to liaise with our primary colleagues regarding transition and collecting relevant information, whilst also providing activities and resources (also available on the [Year 6 Transition Page](#)) to help students to become 'secondary ready'.
- A virtual intake evening will take place the week commencing 29 June, which will be led by the Principal and myself. This will consist of a presentation and introductions from key staff. As part of the virtual intake evening, we hope to be able to answer some of the questions that you and your child may have about moving up to Hagley. Therefore, we have created a questionnaire for you to submit questions which we will respond to generically in our presentation. Please use the following [link](#) to submit your questions by Friday 19 June. Please note that you will not receive a personal reply to this questionnaire.
- Over the coming weeks we will be releasing weekly projects and activities which students can complete at home. These projects and activities can be brought into school in September and will be awarded house points.
- Mrs Imrie (SENCO) will shortly be contacting parents of students with an identified need to offer additional support.
- There will be extra arrangements in place for September to welcome students to the school in advance of other students. When it is possible to do so, we will hold an information evening in September for parents/carers and provide an opportunity to meet with key staff early in the autumn term.

We believe that the partnership between school and home is integral to a successful education and I would encourage you to access this virtual induction programme with your child to give them the best possible start to their secondary education. Until we can meet in person, I would like to introduce you to the Senior Leadership Team and other key staff, who are very much looking forward to working with you and your child during their time at Hagley.

These are uncertain times and we should remember that through these challenges we are not alone. I would like to conclude with this short prayer:

God of Love,

You are with us in every transition and change.

*As we enter into this new era with excitement and even some anxiety,
we recall your deep compassion, presence, and abounding love.*

We thank you for the gifts, talents and skills with which you have blessed us.

We thank you for the experiences that have brought us to this moment.

We thank you for the work of others that gives breadth and depth to our own work.

Be with us as we move forward, rejoicing with you and supporting one another.

We ask this through Christ, Our Lord.

Amen.

With every good wish and blessing,

Yours sincerely

Mr R Miastowski
Assistant Principal

Mr J Hodgson
Principal
