

Semper Fidelis - "Always faithful"

Aims & Objectives of our visit:

- 1.To continue with our virtual transition to Hagley
- 2.To collectively share Our School Prayer
- 3.To consider what equipment we would need to bring to school
- 4.To think more carefully about what we would need for specific days / lessons
- 5.To reflect on what our School Prayer means

Semper Fidelis - "Always faithful"

Teacher:

As followers of Jesus Christ, we are united to his passion, death and resurrection, which give us hope of eternal life.

As we cross ourselves, let us say together:

Everyone:

In the name of the Father, and of the Son, and of the Holy Spirit. Amen.

Semper Fidelis - "Always faithful"

Our School Prayer

Saint Nicholas Owen,
make this school a safe refuge;
inspire in us a love God and a love of our neighbour.
guide us in our work and play,
that we may always be faithful to Christ, our Lord.
Amen

How do I organise myself for each day?

- With so many different lessons and a 2 week timetable, there is a lot more responsibility on you being organised and bringing the right equipment for each day.
- Not having the right equipment could lead to a negative behaviour point!

- You will have different books for each subject and unlike in primary school where they are kept in school with your teacher, YOU are responsible for them. The teacher will only usually collect them in for marking.
- Some lessons will also require specialist equipment, e.g PE kit for Games.
- In the next couple of activities we are going to break this down and look at how you can prepare to be organised for each day.
- TOP TIP:

PACK YOUR BAG YOURSELF THE NIGHT BEFORE!

Activity 3:

Our School Prayer

We have shared our School Prayer several times with you now...But have you actually reflected on what it means?

We would really like you to reflect on this.

1. Who was St Nicholas Owen & how can his work be linked to the idea of a safe refuge?
2. What does each line mean?

Our School Prayer is shared again on our next slide. If you wish to annotate this with your thoughts please do. You may even wish to share your ideas with your teacher and they are welcome to send to us.
