12<sup>th</sup> July 2022

Dear Parent(s) and Carer(s),

Please be aware that bus passes for the 2022-23 academic year with Thandi Coaches Ltd will be available for purchase from tomorrow (13.07.2022).

The cost for 2022-23 is £765, this is an increase on this year's pass. The cost for 2021-22 was due to be £715 but a further increase has been added due to the rise in fuel and company costs associated with the costs of living.

However, as promised there is a subsidy this year and therefore the actual cost for the year will be £625, a £70 reduction on this year's pass, while siblings passes can be purchased at £610. Orders and payments are made direct to Thandi Coaches and you can email them at [sales@thandicoaches.com](mailto:sales@thandicoaches.com) or call them directly on 0121 420 2929 to order your pass.

For those families whose children use the trains I have yet to be forwarded the link for the train passes but will get this to you once I have it from WMR, typically these aren't released until August.

Best regards
