Dear Parents/Carers

I hope you and your families had a blessed Easter. It is an unusual time for everyone, but we hope that you and your family are keeping well.

I am writing to keep you updated about the next part of the transition process in the current coronavirus climate. In the next few weeks, we will be sending out documentation to your home address relating to your child's place at Hagley Catholic High School. This will contain forms to be completed and returned.

As schools remain closed, our usual visits that would have continued throughout the summer term to Year 6 have been cancelled and we are aware that this may add to the feelings of anxiety some students may have about moving up to secondary school. Therefore, Mrs O'Loughlin (Head of Year 7) and myself have created a short video to share with your son/daughter with a challenge for them to participate in over the coming weeks. The video is available on the school website under the tab, Our Community - Year 6 Transition. Mrs O'Loughlin will be a key member of staff supporting your child throughout their journey at Hagley.

We are working hard to put alternative plans in place should schools remain closed for the remainder of the summer term and Mrs Imrie (SENCO) is continuing to liaise with Year 6 teachers to ensure the transition from primary to secondary school is as smooth as possible. When we have more guidance from the Department for Education we will write to you regarding induction. In the meantime, please stay safe and get in touch if there is anything we can help with. The best way to do this is via email, using [admissions@hagleyrc.worcs.sch.uk](mailto:admissions@hagleyrc.worcs.sch.uk).

With every best wish and blessing,
