

# HAGLEY SPORTS

May 2020

Dear Parents/Carers

## Uniform Supply

With so much uncertainty in the market place and regarding travel and social interaction, Hagley Sports has proposed the following:

All Hagley Catholic High School uniform will be available from the 5<sup>th</sup> June via the e-commerce site which, at present, is under construction and photographs being added. Parents can order via this site and make payment via PayPal or Card. If you choose not to order via this site, please complete the form and return it directly to Hagley Sports at the address below with a cheque made payable to Hagley Sports. We have arranged a parcel delivery service via DPD. There will also be the option of collecting uniform from the school on agreed dates and times. This will be strictly by appointment to allow us to adhere to all social distancing measures. Appointment slots will be available later. We expect that this process will take place in the summer holiday and could be over six dates to safely service all parental requirements.

Currently Hagley Sports staff are furloughed or working from home. We have many items in stock as always and have taken delivery of lots of blazers and skirts. These items may be more difficult to source with offshore deliveries being fragmented. Production will begin again shortly for all the kit that is manufactured and embroidered on site.

Many parents will already be aware that P.E. kit is normally monogrammed. Garments cannot be returned once they have been embroidered; please ensure you are perfectly happy the items are the correct size. Monogramming can be done in the first few weeks of the Autumn term; we will liaise with the school P.E. department.

Yours faithfully

*Peter Behan*
