

**HAGLEY CATHOLIC
HIGH SCHOOL**
SEMPER FIDELIS

20th September 2022

Dear Parent/Carer

To support your son/daughter studying of Key Stage 4 Science we recommend you purchase a CGP revision guide. Various additional options are also available, including revision cards and a revision bundle, which includes a workbook for students to work through with answers.

These will provide students with valuable extra resources to use at home to help with homework and revision. They include all the Science topics covered in their GCSE course during years 9-11.

The school can pass on our school discount to you and so we can offer these books at reduced price of:

- **GCSE Combined Science for AQA (Grade 9-1) Higher or Foundation Level - £7**
- **GCSE Combined Science AQA Revision Question Cards: All-in-one Biology, Chemistry & Physics £10**
- **GCSE Combined Science AQA: Revision Bundle – £17 (includes revision guide, cards & a workbook) Foundation or Higher**

If you would like to purchase any of these resources, please pay using the ParentPay link on the school website. You will need to select the higher or foundation option, however, should you wish to change this, it can be exchanged in the Science department.

If you have any questions regarding these resources or any other matter relating to the KS4 course, please do not hesitate to contact me.

Please note there will be a delay of up to a week between payment and the student receiving the item due to ordering procedures.

Yours sincerely

Mrs D Fairclough
Head of Science
