

LIVING WITH COVID 19

| Hazard/ Activity | Persons at Risk | Risk | Control measures in use | Residual risk rating H / M / L | Further Action Required | |
|------------------------|-----------------------------|-------------------------|--|--------------------------------------|----------------------------|----|
| | | | | | YES | NO |
| COVID 19 | Pupils Staff Visitors | Infectious | There is no longer any requirement for staff or pupils to carry out regular asymptomatic testing in mainstream schools From Friday 1 st April there is no recommendation to carry out regular asymptomatic testing in SEND. | MED | | No |
| Positive COVID Test | Pupils Staff | Infectious | From 1 April, anyone with a positive COVID-19 test result will be advised to try to stay at home and avoid contact with other people for five days , which is when they are most infectious. For children and young people aged 18 and under, the advice will be three days. | MED | | No |
| COVID Infections | Pupils Staff Visitors | Infectious | All settings should have in place baseline infection prevention and control measures that will help to manage the spread of infection: <ul style="list-style-type: none"> • Ensuring all eligible groups are enabled and supported to take up the offer of national vaccination programmes including COVID-19 and flu. • Ensuring occupied spaces are well-ventilated and let fresh air in. • Reinforcing good hygiene practices such as hand washing and cleaning. | MED | | No |
| Local Outbreaks | Pupils Staff | Increased infections | Contact with Local Health Protection Team to monitor and manage local outbreaks Contingency plans in place for limited teaching staff Secondary school staff and pupils will be able to access free COVID tests when responding to public health advice. | MED | | No |
