1. Introduction

- 1.1** 16-19 Bursary Funds are paid by the Education Funding Agency (EFA) to schools and colleges so that they may provide financial help to students whose access to, or completion of education might be inhibited by financial consideration.

They may typically be used for:

- Transport.
- Books and equipment (on production of receipts).
- Hardship costs.
- Additional course costs when directly associated with passing a course.
- Costs of travel to HE interviews.
- Other discretionary costs.

2. Policy Aims

- To ensure that the 16-19 Bursary Fund is administered in accordance with DfE/EFA guidelines and policies.
- To explain the roles and responsibilities of staff and students.
- To explain the procedure for making applications.
- To explain the appeals procedure.
- To ensure that the Local Governing Body receives appropriate reports on the administration of the 16-19 Bursary Fund.
- To describe the eligibility criteria, how the bursary is calculated and payment processes.

3. Criteria and Eligibility for 16-19 Bursary Funds

Details of the criteria to be used and the eligibility for payments are shown in **Appendix 1**.

4. Responsibilities

4.1 Student

- Students making applications undertake to provide accurate information and appropriate documentary evidence where needed.
- Students must inform the school of changes in their financial circumstances as soon as they occur.

4.2 Sixth Form Administrator

- The panel will consider each application and ensure that awards are granted fairly and equitably in accordance with the fund guidelines.

4.5 The Appeals Panel

- Consists of a Head of Sixth Form, involved in the original decision, plus the Principal.
- Considers any appeals not resolved by the Bursary Fund Manager.

4.6 Finance Team

- Ensures funds are paid to students in accordance with the decisions of the panel.
- Administers the cash-flow in accordance with audit and EFA requirements.
- Liaises with Bursary Fund Manager to ensure that audit requirements are met.

4.7 Local Governing Body

- Receives report from Bursary Fund Manager – detailing the take-up against the criteria used and a financial analysis of the expenditure.

5. Bursary Application Procedure

5.1 Before making an application, students must arrange to see the Sixth Form Administrator, who will guide them through the application process, give advice on the sort of expenses that can be claimed for and explain the documentary evidence required. The Sixth Form Administrator will play no part in assessing the viability of the claim.

5.2 Applications are logged by the Sixth Form Administrator before forwarding to the Bursary Fund Manager.

Note: a date for submission is set at the beginning of the academic year so that claims can be considered together. However, new applications can be submitted at any point throughout the academic year.

5.3 The Bursary Fund Manager organises a meeting of the Bursary Fund Panel. The panel will consider each claim and decide in accordance with the fund guidelines.

5.4 Application forms are then sent to the Finance Clerk who will confirm with the Sixth Form Administrator that the student is meeting the attendance condition before releasing the appropriate payment to each student. In cases where payment is made to a third party (e.g. transport) it will be the responsibility of the Finance Clerk to ensure that this occurs. The Finance Clerk will retain all application forms on file for 6 years.

5.5 This procedure is illustrated in the Bursary Application Process Flow Chart (**Appendix 2**).

6. Appeals Procedure

6.1 Students who consider that their claim has been inappropriately assessed should appeal, in writing, to the Bursary Fund Manager within 4 weeks of the Panel decision, stating clearly their grounds for appeal.

6.2 If required, the Bursary Fund Manager will arrange a meeting of the Appeal Panel. The claim will be reassessed, and the student informed of the decision in writing within 10 days of the Panel meeting.

6.3 This procedure is illustrated in the Appeals Process Flow Chart (**Appendix 3**).

7. Timing and Applications

7.1 Students are only eligible for payments if they are legitimately enrolled and attending as defined by the criteria.

7.2 Applications for 2025/26 Bursary Funds may be made in the time periods below:

- **Window 1**
For a response by Friday 10th October 2025, applications should be received by Friday, 26th September 2025.
- **Window 2***
Applications received after the Window 1 deadline but before 13th October 2025 will receive a response by October half term.
- **In Year Applications***
Beyond Window 2, applications will receive a response within 10 working days of submission. The final deadline for applications is the final day of Spring Half Term.

* All applications outside of Window 1 will also be pro rata based on the student enrolment date and academic year.

7.3 It is expected that at least 85% of the funds for the year will be allocated by November.

7.4 Payments

Bursary awards are not paid on a schedule; all relevant costs are reimbursed on production of a valid invoice or receipt. All payments are made directly to the student.

Students must ensure they have a bank account in their name through which to receive funds.

7.5 In Year Applications and the Discretionary Bursary

Applications outside of “Window 1” will be from the Discretionary Bursary (15% of total Bursary Fund Centre allocation). The Discretionary Bursary amount will be confirmed after the Bursary Fund Panel has met and Steps 1 and 2 are applied as in Section 7.2. This means that Discretionary Bursary allocations may vary according to the “residual funds” available in Windows 1 and 2 and during the year. ***Applications outside of Window 1 will also be pro rata based on the student enrolment date and academic year.***

The discretionary Bursary will be reviewed in March 2026 and any surplus funds will be allocated accordingly to those students who are eligible.

The Discretionary Bursary, if not allocated to new applications, can be used at the Bursary Panel’s discretion to award additional funding beyond the initial award where the award does not fully cover anticipated costs.

For example:

- Travel to and from school
- Travel to University Open Days and/or interviews
- Essential curriculum related trips or visits
- This list is not exhaustive.

8. Commitment Condition – Attendance

Students’ attendance will be reviewed termly at pre-set dates. For the following term’s payment to be authorised, students must have zero unauthorised absences since the last review or since the start of the course (if term 1). Students have a fresh start after each review thus allowing a Spring or Summer term payment to be possible even if they did not qualify for Autumn. This attendance review will take place by the Head of Sixth Form and Sixth Form Administrator, and students will be informed if they have unauthorised absences and invited by letter to discuss this with a member of the Sixth Form Team within one week before the payment is suspended.

9. Emergency Payments

9.1 This aspect is designed to support students who find themselves in sudden and exceptional circumstances of hardship that either threatens their continued attendance or academic success. Funds can only be granted if circumstances of hardship have recently changed and the need for funds is immediate to address a crisis situation.

9.2 All emergency payments will be made at the discretion of the Principal and subject to the availability of funds.

9.3 Procedure for Applying

- **Stage 1** - Students seeking assistance under this category must do so in person via an appointment with the Head of Sixth Form or in their absence, the Deputy Head of Sixth Form. This will take the form of an informal meeting during which the member of staff will complete an **Emergency Payment Form**. The applicant will be asked to sign this form

at the end of the interview so that it can be treated as an application for emergency assistance to be progressed to Stage 2. This stage may also result from a pastoral care interview instigated by a member of staff where during which it becomes apparent that an emergency payment may be appropriate.

- **Stage 2** - The interviewing member of staff will consult with the Fund Manager to confirm the details of available funds prior to meeting with the Principal to present the application for emergency funding. The Principal will then decide, and his/her decision will be final.

10 Policy Review

- 10.1** The school's Bursary Fund Policy will be reviewed annually by the Bursary Fund Manager, in accordance with recommendations from the school's audit and guidance from the Chief Financial Operating Officer, The Multi Academy Company Central Team, Principals Group and ESFA requirements.

APPENDIX 1

Criteria and Eligibility for Payment

1.1 All applicants must satisfy the following key Education and Skills Funding Agency (ESFA) criteria:

- They must have a legal right to be resident in the UK.
- There is every reasonable likelihood that they will be able to complete their course.
- The course they are attending must be eligible for EFA funding.
- They are over 16 years of age and under 19 (at 31 August prior to the start of an academic year of study).

Students must also satisfy the criteria set by the school e.g. income thresholds – see below.

1.2 Each school is allocated a fixed sum of money for the 16-19 Bursary Fund. A 15% Discretionary Bursary is held back in the first instance for applications received during the course of the year or for **Emergency payments** (i.e. after the “Window 1” application deadline of 25th September 2025).

1.3 The remaining 85% is then prioritised and allocated as follows:

A) Bursary for Defined Vulnerable Group

These students may receive up to £1,200 for the year based on enrolling on a Full Time (ESFA funded) course and meeting the student “Commitment Condition” stated below.

Funding for students in this group is held centrally by the Education and Skills Funding Agency and will be drawn down on demand once appropriate evidence has been seen.

Defined Vulnerable Group Bursary students are those who meet the criteria below and have a financial need:

- Young people in care
- Care leavers
- Young people personally in receipt of income support or Universal Credit
- Young people personally in receipt of Disability Living Allowance or Personal Independence Payments as well as Employment and Support Allowance or Universal Credit.

B) Discretionary Bursary Group

Of the funding delegated directly to the school, 85% will be prioritised and allocated as follows:

Step 1: Eligible applicants are identified as those who have a financial need and fall under one of the three Student Tiers of Need.

Step 2: The Discretionary fund, i.e. the sum remaining after the Bursary for Defined Vulnerable Groups deductions above have been made, will be allocated according to which Student Tier they fall into – see Point 1.4.

It may be possible for students to apply for additional funding in the Summer Term for specific items to support their studies from the Discretionary Bursary provided there is sufficient funding available after the allocations have been made following the first deadline.

Any additional funding will need to be in agreement with, and authorised by, the Head of Sixth Form and will be allocated on the basis of need and availability of the funds.

1.4 Funding Allocation

Eligible applicants are identified as falling under one of the three Student Tiers of Need below:

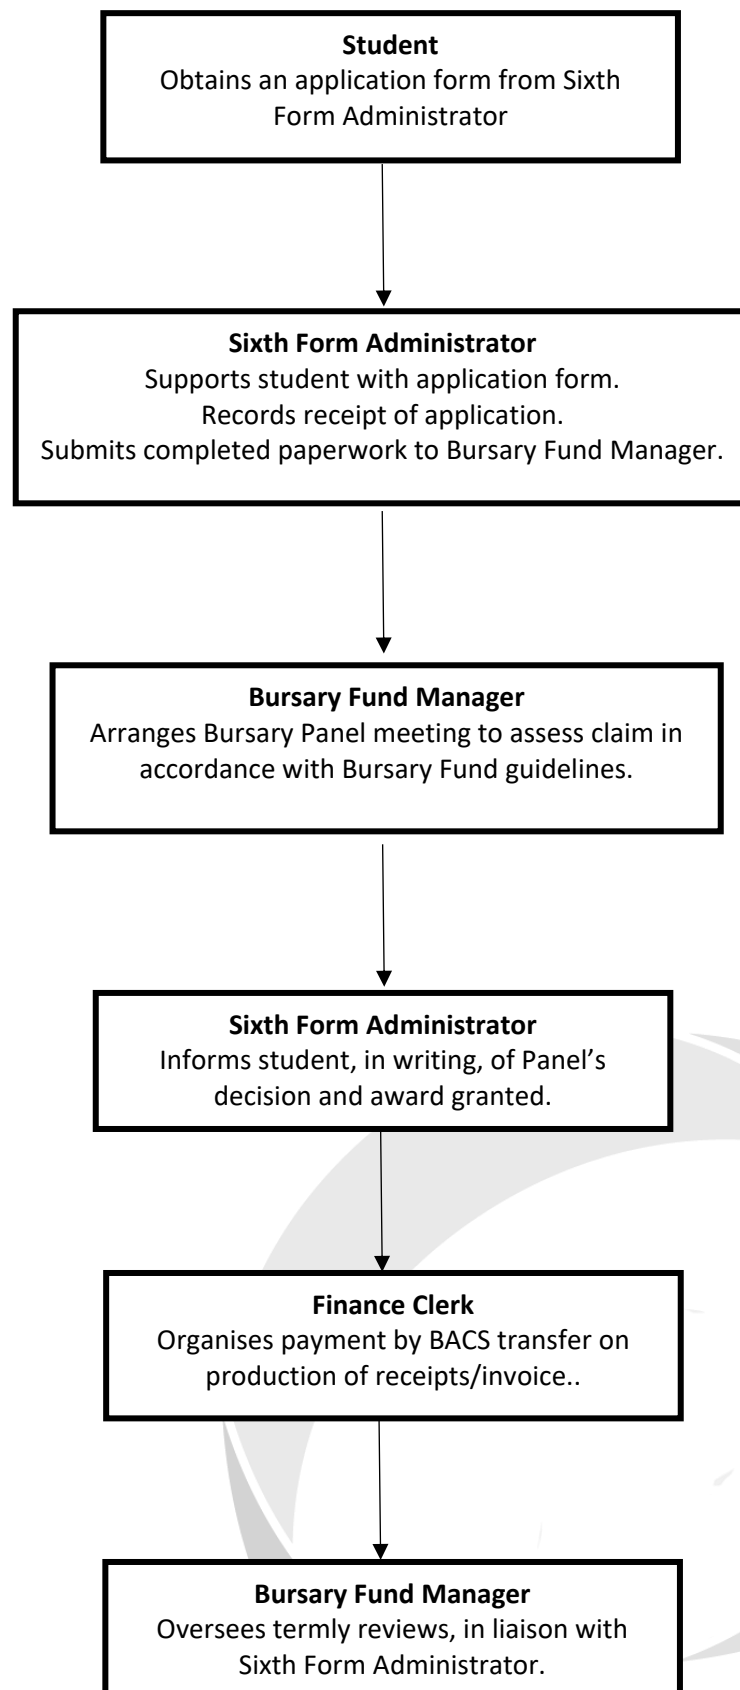

- **Student Tier A** – Students who have successfully claimed Free School Meals for the current academic year (or in year 11 if FE college)
Evidence: Local Authority letter/school transition data.
- **Student Tier B** – Students whose home household income is less than £22,000
Evidence: Working Tax Credit annual statement letter from HMRC.
- **Student Tier C** - Students whose home household income is less than £35,000
Evidence: Working Tax Credit annual statement letter from HMRC.

Each Tier then has a specific weighting multiple for a share of this residual fund.
