

A Sixth Form Students Guide to Enquiries About Results and Access to Scripts

Years 12 &13, 2019

Enquiries About Your Results

If your result differs significantly from your expected grade, you may wish to discuss it with the relevant head of department. If you then have reason to query any result, a post results service is available. A clerical re-check or a review can be requested (note - this could result in the mark/grade being confirmed, raised or lowered). There is a fee to be paid for this service (cash or cheques made payable to 'St Nicholas Owen'),

Clerical Re-check (Service 1)

This is a re-check of all clerical procedures leading to the issue of a result. Applications must be submitted to the Exams Office no later than Monday 16 September, with a completed consent form (Enquiries About Results and Appeals Form available on the school website) and correct payment.

Review of Marking Request (Service 2)

This is a post results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **Reviewers will not re-mark the script.** They will only act to correct any errors identified in the original marking. The service is available for externally assessed components of both unitised and linear specification. The service will include the clerical re-check as for service 1.

If you wish to query a result, you must complete and sign the Enquiries About Results and Appeals Form (available on the school website). Applications must be submitted to the Exams Office no later than Monday 16 September, with the correct payment.

Priority Review of Marking Request (Priority Service 2)

This is a priority post results review of the original marking to ensure that the agreed mark scheme has been applied correctly. **Reviewers will not re-mark the script.** They will only act to correct any errors identified in the original marking. If you wish to take this route, then you must come into school on or before mid-day on Thursday 22 August with the completed and signed Enquiries about Results form (available on the school website) and the relevant fee before we send the application to the examination board. Please see fees list below.

Access to Scripts

Requesting a Priority Copy of Script to Support Reviews of Marking

For those students who feel that they may wish to query their results, a special service is provided whereby a copy of the original script can be requested before deciding whether to request a review of marking. However, this request can only be processed if the student or their representative presents the completed Access to Scripts form (available on school website) with signature of student and the appropriate payment to Mrs. Sherwood on or before mid-day of 22 August. **This service is NOT available to priority service review of marking.**

The scripts will be forwarded to the school by 5 September 2019.

£15.00 per component for AQA, OCR and WJEC components
Free of charge for Pearson/Edexcel components

Please note this service is not available for all Level 2 qualifications.

Requesting Scripts to Support Teaching and Learning

GCE Advanced, Advanced Subsidiary, Cambridge Technicals, Cambridge Nationals and GCSE candidates will be able to request access to their scripts for general interest or to inform future learning. Original hard copies or an electronic image of the script will be provided. There will be a fee for this service:

£12.00 per component for AQA, OCR and WJEC components
Free of charge for Pearson/Edexcel components

In order to obtain your script, a completed Access to Script form (available on school website) must be completed, with signature of student and appropriate payment and submitted to the Exams Office by Monday 23 September 2019. In some instances the school will receive a hard copy, in which case a message will be sent to you informing you that the script has arrived. It is then up to you to collect and sign for the scripts from the Exams Office. If the script has been received electronically then it will be emailed to you. Please remember to supply your email address on the relevant form.

Centres can apply for scripts to support staff in teaching. In all cases where centres intend to use candidates' written scripts as examples for other students, prior written permission must be obtained from the candidates concerned.

Please note: The majority of exam papers are now scanned and the returned script may be a scanned copy.

The above deadlines are final. **(Note – Cheques payable to 'St Nicholas Owen')**

Certificates

Certificates arrive at school during October/November. These need to be collected and signed for from the school office. The school is only required to keep your certificates for 12 months.

Please remember to collect your certificates as they may be required by future employers.

Should you lose a certificate please contact the relevant exam board for a certifying statement of results. Please note this will cost you approximately £40.00.

“Christ has no eyes to see but your eyes,
No hands to work but your hands,
No feet to run but your feet,
Nobody on earth but the one he gave you.
Yours are the eyes to look out with compassion
Yours are the feet to take you where there’s a need
Yours are the hands that can work for God’s healing
You are the body of Christ in the world.”

St Teresa of Avila
