Year 11 Students Guide to Reviews of Results and Access to Scripts.

2022

Enquiries About Your Results

If your result differs significantly from your expected grade, you may wish to discuss it with the relevant head of department. If you then have reason to query any result, a post results service is available. A clerical re-check or a review of marking can be requested (note - this could result in the mark/grade being confirmed, raised or lowered). There is a fee to be paid for this service (please make payment via ParentPay).

Clerical Re-check (Service 1)

The clerical re-check service checks the totalling of marks, the recording of marks and that all parts of the script have been marked. Applications must be submitted to the Exams Office no later than Monday 26 September, with a completed consent form (Clerical re-checks, Reviews of marking and Appeals form) and confirmation of correct payment via ParentPay.

Review of Marking Request (Service 2)

This is a post results review of the original marking to ensure that the mark scheme has been applied correctly. **Reviewers will not re-mark the script.** They will only act to correct any errors identified in the original marking. The service is available for externally assessed components of both unitised and linear specifications. The service will include the clerical re-check as for service 1.

If you wish to query a result, you must complete and sign the Clerical re-checks, Reviews of marking and Appeals form (available on the school website). Applications must be submitted to the Exams Office no later than Monday 26 September, with confirmation of correct payment via ParentPay.

Should you require a copy of your reviewed script then this request must be made at the same time as the request for a review, along with the correct payment.

Priority Review of marking Request (Priority Service 2)

A new service is available for Pearson/Edexcel GCSE subjects (only) where a priority service review

is available. If you wish to take this route, then you must complete and sign the Enquiries About Results and Appeals form (available on school website). Applications must be submitted to the Exams Office no later than Midday on Friday 26 August, with the correct payment. Please see fees listed below.

Access to Scripts

Requesting a Priority Copy of Script to support Reviews of Marking

For those students who feel that they may wish to query their results, a special service is provided whereby a copy of the marked script can be requested before deciding whether to request a review of marking. However, this request can only be processed if the student or their representative presents the completed Access to Scripts form (available on school website) with signature of student and the appropriate payment to Mrs. Sherwood no later than Tuesday 6 September. **This service is NOT available to priority service review of marking.**

£14.17 per component OCR

£11.13 per component WJEC

Free of charge for Pearson/Edexcel and AQA components

Requesting a script to support teaching and learning

Candidates will be able to request access to their own scripts for general interest or to inform future learning.

£13.41 per component OCR
£11.13 per component WJEC
Free of charge for Pearson/Edexcel and AQA components

In order to obtain your script, a completed Access to Script form (available on school website) must be completed, with signature of student and appropriate payment and submitted to the Exams Office by Monday 26 September 2022. In some instances, the school will receive a hard copy, in which case a message will be sent to you informing you that the script has arrived. It is then up to you to collect and sign for the scripts from the Exams Office. If the script has been received electronically then it will be emailed to you. Please remember to supply your email address on the relevant form.

Centres can apply for scripts to support staff in teaching. In all cases where centres intend to use candidates' written scripts as examples for other students, prior written permission must be obtained from the candidates concerned.

Please note: The majority of exam papers are now scanned and the returned script may be a scanned copy. The above deadlines are final.

Certificates

Certificates arrive at school during October/November. These will be posted via the Royal Mail signed for service during December 2022. If you have had a change of address, then please advise the school.

Should you lose a certificate please contact the relevant exam board for a certifying statement of results. Please note this will cost you approximately £50.00.

Text Books

Please make sure that you return all of your text books to the appropriate teachers otherwise invoices will be sent out for replacement costs.

For those students who have completed their education at Hagley Catholic High School, we wish you every success for the future.
