Part A: Pupil premium strategy plan

Statement of intent

Our commitment to ensuring every student at Hagley Catholic High School experiences equal opportunities in every learning and social experience is paramount, and a firm belief that everything is possible and that no one should be disadvantaged by the very best provision for all.

Ultimately, we aspire and aim to ensure that disadvantaged students achieve and experience everything on an equal footing to all other students and that any gap is not narrowed, but closed. In that our aims are:

- that outcomes are in line with aspirational FFT 20%/5% targets*
- that attendance is on a par with whole school attendance*
- that reading ages are in line with national average for all students*
- and that cultural capital opportunities are experienced on a par with all other students*

Our plan, as laid out, aims to provide the necessary strategic action to ensure the aims are met and the challenges listed are tackled, through focussed intervention, high quality teaching and learning strategies for all, quality CPD for teachers and a whole school focus on literacy.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Gaps in learning due to absence through pandemic
2	Absence of targeted provision
3	Lower than usual literacy levels at KS3
4	Lower than average attendance
5	Access to school, learning and wider cultural capital opportunities

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Improved P8 score for disadvantaged learners in exam years	P8 score is greater than 0
Improved average Attainment 8	Achieve national average for attainment 8
All students targeted Grade 5+ in ENGMA achieve	59% of all disadvantaged learners achieve 5+
Improved attendance for disadvantaged learners	Disadvantaged attendance is above national average
Bridge gaps in literacy and numeracy	Disadvantaged students in Year 7 and 8 are at expected level for reading and maths
