1. Introduction

They may typically be used for:

- Transport.
- Books and equipment (on production of receipts).
- Hardship costs.
- Additional course costs (residential).
- Costs of travel to HE interviews.
- Exam fees (including re-sits).
- Other discretionary costs.

2. Policy Aims

- To ensure that the 16-19 Bursary Fund is administered in accordance with DfE/EFA guidelines and policies.

3. Criteria and Eligibility for 16-19 Bursary Funds

Details of the criteria to be used and the eligibility for payments are shown in **Appendix 1**.

4.7 Local Governing Body

- Receives report from Bursary Fund Manager – detailing the take-up against the criteria used and a financial analysis of the expenditure.

5. Bursary Application Procedure

5.1 Before making an application, students must arrange to see the Sixth Form Administrator, who will guide them through the application process, give advice on the sort of expenses that can be claimed for and explain the documentary evidence required. The Sixth Form Administrator will play no part in assessing the viability of the claim.

5.2 Applications are logged by the Sixth Form Administrator before forwarding to the Bursary Fund Manager. **Note: a date for submission is set at the beginning of the academic year so that claims can be considered together. However, new applications can be submitted at any point throughout the academic year.**

- 5.3** The Bursary Fund Manager organises a meeting of the Bursary Fund Panel. The panel will consider each claim and make a decision in accordance with the fund guidelines.
- 5.4** Application forms are then sent to the Finance Clerk who will confirm with the Sixth Form Administrator that the student is meeting the attendance condition before releasing the appropriate payment to each student. In cases where payment is made to a third party (e.g. transport) it will be the responsibility of the Finance Clerk to ensure that this occurs. The Finance Clerk will retain all application forms on file for 6 years.
- 5.5** This procedure is illustrated in the Bursary Application Process Flow Chart (**Appendix 2**).

6. Appeals Procedure

- 6.1** Students who consider that their claim has been inappropriately assessed should appeal, in writing, to the Bursary Fund Manager within 4 weeks of the Panel decision, stating clearly their grounds for appeal.
- 6.2** If required, the Bursary Fund Manager will arrange a meeting of the Appeal Panel. The claim will be reassessed, and the student informed of the decision in writing within 10 days of the Panel meeting.
- 6.3** This procedure is illustrated in the Appeals Process Flow Chart (**Appendix 3**).

7. Timing and Amount of Payments

- 7.1** Students are only eligible for payments if they are legitimately enrolled and attending as defined by the criteria.
- 7.2** Applications for 2021/22 Bursary Funds may be made in the time periods below:
- **Window 1**
For a response by Friday, 1st October 2021, applications should be received by Friday, 17th September 2021.
 - **Window 2***
Applications received after the Window 1 deadline but before 15th October 2021 will receive a response by October half term.
 - **In Year Applications***
Beyond Window 2, applications will receive a response within 10 working days of submission. The final deadline for applications is the final day of Spring Half Term.

* All applications outside of Window 1 will also be pro rata based on the student enrolment date and academic year.

- 7.3** It is expected that at least 85% of the funds for the year will be allocated by November.

7.4 Payment Schedule

Where the full annual payment falls below £60, a single payment will be made within two weeks of approval. All annual amounts above this sum will normally be paid in accordance with the following:

Important Notes

- Exceptions can be granted at the Fund Manager's discretion where attendance may be jeopardised if payment is delayed.
- In all cases, payments will not be made direct to the student and will only be made on production of a valid invoice or receipt.
- Students should ensure they have a bank account in their name through which to receive funds.
- If a partial allocation is made, the payments will be related proportionately.

7.5 In Year Applications and the Contingency Fund

Applications outside of "Window 1" (17th September 2021) will be from the Contingency Fund (15% of total Bursary Fund Centre allocation). An estimate of the "residual funds" figure will be made by the Bursary Fund Panel and Steps 1, 2 and 3 applied as above. This means that Discretionary Bursary Group student allocations may vary according to the "residual funds" available in Windows 1 and 2 and during the year. ***Applications outside of Window 1 will also be pro rata based on the student enrolment date and academic year.***

Any unallocated funds from the Discretionary Bursary Contingency Fund will be spent at the discretion of the Director of Sixth Form solely for the benefit of those students in receipt of the bursary.

Dependent upon the amount of unallocated funds available, it **may** be possible to contribute towards the costs of school trips as follows:

Essential Curriculum Trips – 45% contribution

Non-Curriculum Trips – 20% contribution.

8. Commitment Condition - IMPORTANT

Students' attendance will be reviewed termly at pre-set dates. In order for the following term's payment to be authorised, students must have zero unauthorised absences since the last review or since the start of the course (if term 1). Students have a fresh start after each review thus allowing a Spring or Summer term payment to be possible even if they did not qualify for Autumn. This attendance review will take place centrally and students will be informed if they have unauthorised absences and invited by letter to discuss this with a member of the Sixth Form Team within one week before the payment is suspended.

9. Emergency Payments

9.1 This aspect is designed to support students who find themselves in sudden and exceptional circumstances of hardship that either threatens their continued attendance or academic success. Funds can only be granted if circumstances of hardship have recently changed and the need for funds is immediate in order to address a crisis situation.

9.2 All emergency payments will be made at the discretion of the Principal and subject to the availability of funds.

9.3 Procedure for Applying

- **Stage 1** - Students seeking assistance under this category must do so in person via an appointment with the Director of Sixth Form or in their absence, the Deputy Head of Sixth Form. This will take the form of an informal meeting during which the member of staff will complete an **Emergency Payment Form**. The applicant will be asked to sign this form at the end of the interview so that it can be treated as an application for emergency assistance to be progressed to Stage 2. This stage may also result from a pastoral care interview instigated by a member of staff where during which it becomes apparent that an emergency payment may be appropriate.
- **Stage 2** - The interviewing member of staff will consult with the Fund Manager to confirm the details of available funds prior to meeting with the Principal to present the application for emergency funding. The Principal will then decide, and his/her decision will be final.

10 Policy Review

- 10.1** The school's Bursary Fund Policy will be reviewed annually by the Bursary Fund Manager, in accordance with recommendations from the school's audit and guidance from the Chief Financial Operating Officer, The Multi Academy Company Central Team, Principals Group and ESFA requirements.

APPENDIX 1

Criteria and Eligibility for Payment

1.1 All applicants must satisfy the following key Education and Skills Funding Agency (ESFA) criteria:

- They must have a legal right to be resident in the UK.
- There is every reasonable likelihood that they will be able to complete their course.
- The course they are attending must be eligible for EFA funding.
- They are over 16 years of age and under 19 (at 31 August prior to the start of an academic year of study).

Students must also satisfy the criteria set by the school e.g. income thresholds – see below.

1.2 Each school is allocated a fixed sum of money for the 16-19 Bursary Fund. 5% of the total contributes towards centre administrative costs, while a 15% contingency is held back in the first instance for applications received during the course of the year or for **Emergency payments** (i.e. after the “Window 1” application deadline of 18 September 2020).

1.3 The remaining 80% is then prioritised and allocated as follows:

A) Bursary for Defined Vulnerable Group

These students may receive £1200 for the year based on enrolling on a Full Time (ESFA funded) course and meeting the Student “Commitment Condition” stated below.

Funding for students in this group is held centrally by the Education and Skills Funding Agency and will be drawn down on demand once appropriate evidence has been seen.

Defined Vulnerable Group Bursary students are those who meet the criteria below and have a financial need:

- Young people in care
- Care leavers
- Young people personally in receipt of income support or Universal Credit
- Young people personally in receipt of Disability Living Allowance or Personal Independence Payments as well as Employment and Support Allowance or Universal Credit.

B) Discretionary Bursary Group

Of the funding delegated directly to the school, 80% will be prioritised and allocated as follows:

Step 1: Eligible applicants are identified as those who have a financial need and fall under one of the three Student Tiers of Need.

Step 2: The residual fund, i.e. the sum remaining after the Bursary for Defined Vulnerable Groups deductions above have been made, will be allocated according to which Student Tier they fall into – see Point 1.4.

A student **may** normally receive up to a maximum of £1170 from this fund within an academic year (equivalent to 39 weeks x £30).

However, size of payment depends upon the student tier, number of applicants and of course the total amount of funding available.

It may be possible for students to apply for additional funding in the Summer Term for specific items to support their studies provided there is sufficient funding available after the allocations have been made following the first deadline.

Any additional funding will need to be in agreement with, and authorised by, the Director of Sixth Form and will be allocated on the basis of need and availability of the funds.

1.4 Funding Allocation

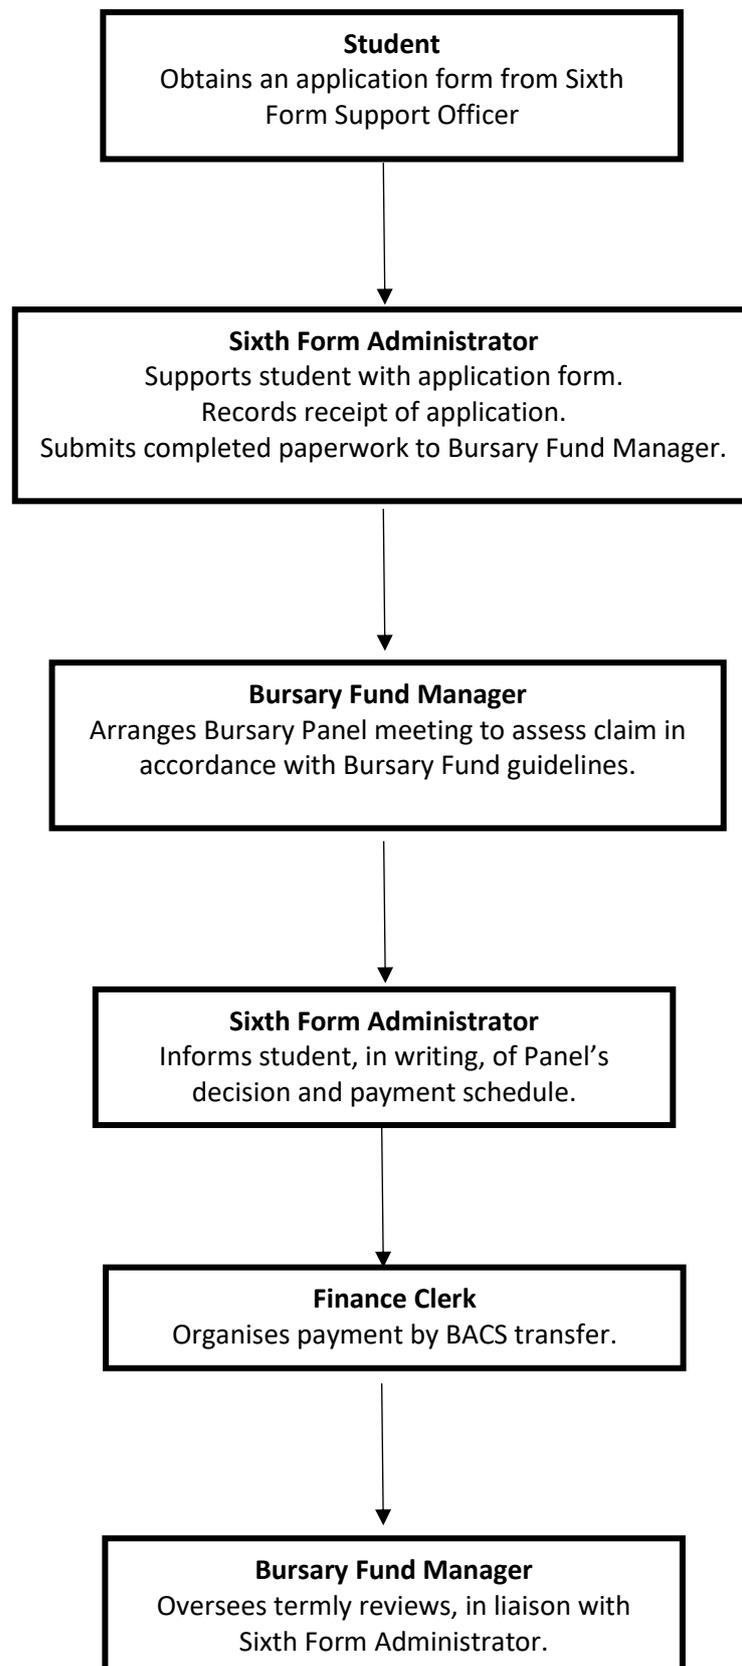

Eligible applicants are identified as falling under one of the three Student Tiers of Need below:

- **Student Tier A** – Students who have successfully claimed Free School Meals for the current academic year (or in year 11 if FE college)
Evidence: Local Authority letter/school transition data.
- **Student Tier B** – Students whose home household income is less than £22,000
Evidence: Working Tax Credit annual statement letter from HMRC.
- **Student Tier C** - Students whose home household income is less than £26,800
Evidence: Working Tax Credit annual statement letter from HMRC.

Each Tier then has a specific weighting multiple for a share of this residual fund.
