

How Do I Make My Subject Choices Using Microsoft Forms?

This year, the school are using Microsoft Forms for students to make their Pathways choices. A link to the appropriate ‘Form’ for the pathway that you have been assigned to has been sent out to you via Microsoft Teams. Please follow the instructions below on how to make subject choices.

- 1) Open the Microsoft Form from the link that has been sent to each student. Ensure that the form completed is for the pathway that has been assigned e.g Open or Language Plus.
- 2) Select a first choice and reserve subject for block A and B. One first choice and two reserve choices should be selected in block C.

The screen shot on the left show how the ‘Form’ looks if accessed from a computer. The screen shot on the right shows what the ‘Form’ looks like if it is accessed from a mobile device.
