Dear Parents/Carers

The Pathways Programme was officially launched in an assembly to students on Tuesday 11<sup>th</sup> February 2020.

The Pathways Programme is an exciting prospect for all students, it gives them an opportunity to guide and personalise their own curriculum for the very first time. The decisions that they make at this point in their education are incredibly important, they should seek advice and guidance from parents/carers and school staff to be able to make the 'right' choices.

With this in mind I would like to highlight some key dates. Pathways Evening will take place on Thursday 27<sup>th</sup> February 2020 and will commence at 7.00pm promptly with an address from the Principal, Mr Hodgson. Parents/carers and students will then be invited to attend a number of presentations by Subject Leaders who will provide information regarding the specific GCSE courses available within each of the subject areas. We would expect the evening to end at approximately 9.00pm. In preparation for the event I would advise that some time is spent reading the Pathways Booklet, this can be found by the following the link below:

Another important date is Year 9 Parents Evening, this will take place on Thursday 19<sup>th</sup> March 2020. This will give you a chance to discuss the progress of your son/daughter in each subject and ask any further questions about the courses they may choose to follow at Key Stage 4.

We request that the subject selection process is completed online, links to register for this service have been emailed to parents/carers and students. A thorough guide to complete this can be found by following the link above. There will be a computer room available at Parents Evening to allow this process to be completed if you are unable to do so at home. Paper alternatives are available as a final resort.

I would like to wish you a restful half term break and we look forward to welcoming you to school on Thursday 27<sup>th</sup> February 2020.

Yours sincerely

*M. Capponi*
