### How to fill in the options online:

- You should select one main choice from each block.**
  - You will study three GCSE option subjects.
  - When you click on your main first choice subject in each section it will turn BLUE.
- Select up to two acceptable alternatives to your choices by clicking on the reserve button**
  - e.g. if you wouldn't mind studying History instead of Geography in Block B, select reserve next to 'History'
  - If a subject in Blocks B or C does not have enough students opting for it, then it will not run. In these cases, we might need to use your alternative or reserve choice.
  - Reserve subjects will turn ORANGE.
- On the right hand side of the screen is a box called 'My Reserves in Order of Preference'**
  - To change your order of preference, select one of the reserve subjects and then click the position you would like to move it to.

The student assembly, Pathways evening and booklet, subject reports and parent's evening will provide you and your child with plenty of information to make well-informed decisions but, if you have any doubts or questions during this process, please contact Mr Capponi at the school.
